

Experiential Learning Workshop: Level I (Beginning Level Outline)
Designing Experiential Learning Modules

Follow-up Survey

1. I attended a “Shoe-Tying” Experiential Learning workshop conducted by a UC Cooperative Extension Advisor (*check the best response*):

Yes No Not Sure

If you answered “Yes”, please continue to question 2.
If you answered “No” or “Not Sure”, please skip to question 9.

2. In your role as a 4-H Leader or Teen Leader, have you used any of the ideas presented during the “Shoe-Tying” workshop to change your practices when working with young people? (*check best response*)

Yes No Not Sure

If yes, please explain how you used these ideas to change your practices?

If you answered “No” to question 2, please answer questions 3, 4, 5, 6, 7, 8 & 9.
If you answered “Yes”, skip to question 5 and answer questions 5, 6, 7, 8, & 9.

3. Why did you not use these ideas? (*check all that apply*)

- I do not remember what was presented at the workshop
- The information presented at the workshop was not relevant to me
- I was already using the ideas presented at the workshop
- Not enough information was presented at the workshop
- The information presented at the workshop was not credible
- I do not have time to use the ideas presented at the workshop
- I do not feel knowledgeable enough to use the ideas presented at the workshop
- I do not feel confident enough to use the ideas presented at the workshop
- Other (*please explain*):

(Please continue on reverse side)

4. What else is needed to assist you in using the ideas presented in the “Shoe-Tying” Experiential Learning workshop (*check all that apply*):
- More written information (*examples: handouts or curricula*)
 - More time to prepare activities using experiential learning
 - More “coaching” from persons with a background in experiential learning
 - More practice with youth implementing activities that use experiential learning
 - More opportunities to work with other 4-H Leaders
 - Additional Experiential Learning Workshop opportunities
 - Other (*please explain*):
5. Do you have any suggestions for making future workshops more helpful?
6. I would rank my knowledge of experiential learning as (*please check one*):
- Poor Fair Good Very Good Excellent
7. I would rank my knowledge of the learning cycle as (*please check one*):
- Poor Fair Good Very Good Excellent
8. I am a (*please check one*):
- 4-H Adult Leader 4-H Teen Leader Other: _____
9. I would like to receive the following as a free teaching aid for my quick response to this form (*please check one*):
- A laminated color-copy of the Learning Cycle
 - A laminated color-copy of the Life Skill Wheel
 - I do not need a free teaching aid sent to me

Thank You!
