Garden Owner's Favorite Tool and Pastime

My most-used tool is Felco hand pruner (#6 for my hand size).

My favorite and most useful activity is not a tool but visiting gardens, attending garden tours, talking with other gardeners, visiting gardens wherever I travel, and, of course, perusing my local nurseries. These experiences appeal to my senses and inspire me to try different designs, plants, etc., in my garden. How much can I capture of that feeling I had when I experience that new plant, that new design, that new idea? That sparks my desire and joy!
