

CLOVER PATCHING REQUEST FORM

Join the fun with our Clover Patching fundraiser, raising funds for our Tehama County 4-H leader's council! These Clover Patches travel from home to home throughout Tehama County visiting friends lawns for a day. Then off they go to turn another lawn green. What will happen is a few clovers will mysteriously appear in your friend's yard with a letter announcing their arrival (either anonymously or with your name), giving your friend the opportunity for the clover patch to move to one of their friend's yard. Your friend will find an envelope hanging from one of the little clovers, with a greeting, and if they wish to join in the fun, they can send their own "Request Form" to: UCCE Tehama - Clover Patch, 1754 Walnut Street, Red Bluff, CA 96080, along with their generous donation. The Clover Patch will continue about the community, visiting many "friends of 4-H"...it will be fun to see how many homes they visit between now and March. If you want to join in the fun of Clover Patching, complete the Request Form below and return it to the UCCE Office. The clover patches will rotate from club to club so be watching to see when the clover patches make it to your area.

If you have any questions, contact the 4-H YDP Staff at 527-3101.

Please send in your Clover Patch friend's addresses soon.

Thank you for your support and in joining the fun!

Your Name: _____ **Contact Info :** _____
