TIPSHEET

2018-2019 GLENN COUNTY 4-H RECORD BOOK Personal Development Report (PDR) TIP SHEET

This guidance document is to help identify the appropriate categories for your Glenn County 4-H activities. You may have additional activities that are not listed here. Please remember that the current 2018-2019 California 4-H Record Book Manual and Adult Partner's Guide is the official guidance document <http://4h.ucanr.edu/files/263720.pdf>.

Record Books – Make sure to update and correct all notes and suggestions from your Key Leader and County Record Book Judging from your previous year. If a member forgets to list an entry in one year and wants to list it in the next year's book, they can. List it the same way and make a note that this was done in XX year.

WHAT GOES WHERE? Where do I place everything I have accomplished this year in my Personal Development Report?

Here is a helpful tool for recording 4-H events and activities, but first, make sure to read these important guidelines:

- Record participation and activities both inside and outside of 4-H for the current program year.
- When you attend a 4-H event, record it as a 4-H event attended.
- If you did something at that event that meets the requirements in another area(s), you can record that as well, BUT that activity can only be counted in one category – it's your choice. **The statement explaining "double dipping" or "double counting" has changed to a positive statement, instead of a "Don't" statement. There are cases when a member may get to count an activity AND an event from the same event.**
- Some events and activities may be applicable for multiple categories. Record activities in the most appropriate or needed category for Star Ranks. Check out the requirements in the Star Ranking system at the beginning of the year to see where you need to focus.
- If you participate at an event activity in multiple roles, be sure to clearly differentiate the roles to ensure that the judge understands your specific contributions. We do not want the person that scores your book to think you accidentally double counted one activity.
- You may record up to two significant activities outside of 4-H in categories 2, 4, 5, 6 and 7.

The following outline matches the Personal Development Report. If you attended an event or accomplished something listed in a category, make sure you put it in that same numbered section on your PDR form for appropriate credit.

#1. Projects Completed

Record the projects you have completed. Complete a minimum of six hours of project instruction or more as required by the project leader. During the current year, 80% average attendance across all projects is required to receive an achievement rank.

#2. 4-H Project Skill Activities

Record events or activities that demonstrate your knowledge to an audience or judge. Activities may be recorded even if you are not enrolled in the corresponding project – as long as the skills are related to a 4-H project. This includes exhibits non-judged and judged, showmanship, knowledge contests and judging contests.

*** You may not participate as a 4-H member in jackpot or prospector shows as these shows do not comply with 4-H Policy.**

Participation in these shows should NOT be recorded as a 4-H experience or as an "Outside 4-H" experience. Events that do not comply with 4-H Policy may not be recorded in the Record Book at all.

Intermediate and Senior members must complete the Leadership Development Report to receive credit. To meet the Star Rank criteria for gold and platinum stars, you must hold significant leadership roles that require 20 hours or more of leadership contribution. Junior members may earn significant leadership credits if they are a club officer and complete the Leadership Development Report.
