

COVER CROPPING OPPORTUNITIES IN SPECIALTY CROPS

a Webinar and Virtual Site Visit Series: FALL/SPRING 2020/21

Presented By

Contra Costa County Resource Conservation District &
UC Cooperative Extension Crop Production Program

Cover Cropping in Annual Systems

WEDNESDAY
OCTOBER 28TH,
3PM–4:30PM

Featuring Dr. Margaret Lloyd, UCCE Farm Advisor who supports growers in Yolo, Solano and Sacramento Counties through her Small and Organic Farming in the Capitol Corridor program. She holds a

PhD in Plant Pathology from UC Davis where she also received a Master's in International Agricultural Development. Drawing on her research in nitrogen cycling, she will discuss the role of cover crops in the nitrogen budget, and also cover selecting, planting and managing cover crops, as well as cover cropping costs.

[Webinar Offered via ZOOM and FREE with Registration.](#)
