Breakout Rooms

MFP facilitator/timer: keep things moving; all students speak

- 1. Quick introductions if new faces*
- 2. Rotate through boiling water canning process, 1 step at a time*
- 3. 1 minute to explain, then move to the next person*
- 4. Either continue that step's explanation or move to the next.*
- 5. Use your own words to describe the step and explain the **why**.*
- 6. At end of list? Ask for clarifications from MFP on terminology.*
- 7. Continue with steam canning process, 1 minute per person.*
