

## 2025 Pickling & Fermentation Discussion Questions

These questions will be used during the group discussion in the pickling & fermentation class. Instead of asking each individual program to answer questions, everyone will answer poll questions, including the MFPs. The specific questions are not included because I want to see what you know off the top of your head. The polls will be anonymous.

### Poll Topics

1. Vinegar
2. Salt
3. Spices
4. Sugar
5. Cucumbers
6. Refrigerator Pickles
7. Quick/Fresh Pack Pickles
8. Lactic Acid Fermenting Basics
