***The Reimagined Garden***

These homeowners have completely updated their entire garden on a grand scale blending artistic flair with low-maintenance and elegance. Designed for both beauty and functionality this garden is an inviting retreat and has it all for entertaining family and friends. Lots to see and enjoy. *(Mostly walkable, some stairs, wheelchair friendly)*

***The Staycation Garden***

This peaceful retreat offers a poolside escape for family fun and relaxation alongside a waterwise garden buzzing with life. Birds and butterflies flutter about amongst a variety of succulents, trickling water features, semi-dwarf fruit trees, flowering plants and raised beds filled with seasonal vegetables and colorful flowers. *(Very walkable, wheelchair friendly)*

***The Family Garden***

A fun-filled escape designed for all ages! Watch koi swimming in the pond, test your putting skills, pick fresh veggies from the raised beds or grill some favorites on the BBQ. Whether you're relaxing on the upper deck with a cool drink or enjoying the shaded lower patio, this garden is full of playful charm. *(Some uneven surfaces, stairs, mostly walkable)*

***The Serene Garden***

Inspired by Asian aesthetics, this garden flows effortlessly with cascading blue Atlas cedars draping over smooth boulders, the soft murmur of trickling water, and an atmosphere of quiet reflection. The journey continues through a gracefully designed backyard, where peaceful plantings and gentle water features create an oasis of calm. *(Easily walkable)*

***The Vibrant Garden***

A masterpiece of color and texture! This spectacular garden transforms a small corner lot into an explosion of botanical artistry. The front yard greets visitors with a mesmerizing palette of foliage and flowers, while the backyard continues to amaze with islands of petite trees, bright blooms, colorful pottery and artful plantings in every corner. *(Easily walkable)*

***The Casual Garden***

An inviting blend of rustic beauty and natural charm. A rich variety of plants intertwine effortlessly among time worn boulders. Meander down a stone pathway into a tree-shaded retreat, to find raised garden beds, fruit trees, a tranquil koi pond and a cozy entertaining area with breathtaking long-distance views. *(Use caution when navigating the stone pathways)*
