

AVAILABLE SCHOLARSHIPS

Besides the basic requirements listed in the instruction sheet, some scholarships have additional requirements or preferences which are listed below. The additional requirements listed for a particular scholarship must be met to be considered for that scholarship. Listed preferences are flexible for consideration. Individual scholarship amounts are listed with the corresponding scholarship description. On the application, you must place a check next to the scholarships for which you would like to apply. *You will not be considered for any scholarship you do not select.* If you do not meet the specified requirements for any one scholarship, you will not be considered for it, even if you have checked the box.
