--

The department has decided to offer employees the choice of being compensated for any overtime hours they work either through monetary compensation or by Compensatory Time Off (CTO). In accordance with Article 13 - *Hours of Work*, Section L (Compensatory Time Off), of the current contract for the Service (SX) Unit, you can enter into this written agreement which will determine how you wish to be compensated for overtime by making your election and signing below. As stated in the SX Contract, you will have an opportunity to change your election in June of each year or until such time that the department opts to discontinue using CTO as a method of compensation for overtime. If you have previously made an election and do not wish to change it, this form is not necessary, and your previous year's election will continue.
