

For Unit Leaders: Identifying Volunteers that were Active Last Year

Purpose:

Starting July 1st, volunteers that previously had an Active enrollment may continue to serve as an Adult Volunteer until December 1st. This is the grace period that allows Adult Volunteers that were enrolled in the previous year to continue to serve the program without an approved and Active enrollment. This period expires on December 1st. This helpsheet provides adult volunteers with unit management permissions with guidance on how to identify volunteers that had an Active enrollment the previous year and may continue to serve as a 4-H Adult Volunteer until December 1st of the current program year.

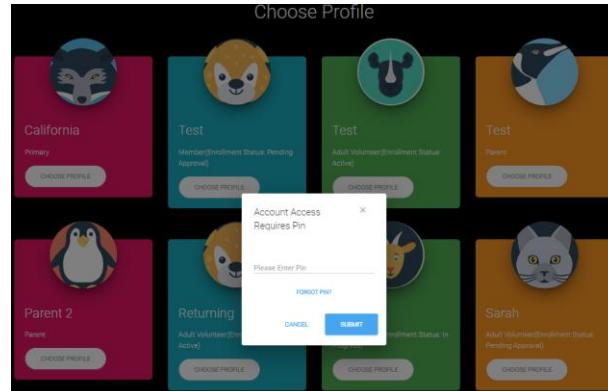

Before beginning make sure:

- Your unit volunteer role is one or more of the following:
 - Primary Community Leader
 - Assistant Community Leader
 - Co-Community Leader
 - Enrollment Coordinator

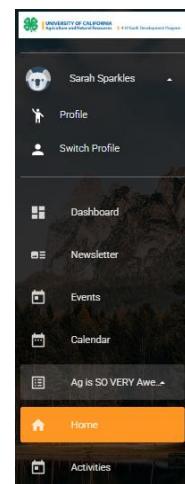

Your enrollment has been approved and made Active in ZSuite.
