Glenn County youth ages 5–18 have the chance to learn new skills, make friends, and discover their passions by joining 4-H this year. Enrollment for the 2025–2026 program year is now open, with seven

clubs across the county offering a wide variety of projects and opportunities.

Some project areas include arts and crafts, sheep, quilting, dairy, arts & crafts, swine, beef, archery, goats, sports shooting, rabbits, and ornamental horticulture—just to name a few. Youth have the opportunity to enhance their leadership skills, grow in confidence, and learn life skills.

Youth may begin enrolling in 4-H online enrollment system ZSuites or complete a paper enrollment at any time. Members must be enrolled in 4-H by **Monday, November 3, 2025**, if they wish to participate in the 2026 Glenn County Fair.
