Project Meetings

Project meetings are a very important part of the 4-H experience. Members sign up at the beginning of the 4-H year anticipating a minimum of 6 hours of project instruction. A project meeting is where the actual learning takes place. New skills are introduced, items are made and crafted and sparks of interest begin to develop. Many sparks have been ignited in specific project areas due to dedicated leaders that plan fun and educational project meetings.

Haven't held a meeting yet- there is still time! Need help? Contact your CCL or Tracy at 559-241-7525.

Fresno County 4-H Festive Food Faire

2026 NEW CATEGORY FOOD PHOTOGRAPHY

Photos should capture a finished food dish
that looks good enough to eat!

Photos must be 8x10 matted on
foam core board or mat board.

No frames.

Photos must be taken by

2024-25 or 2025-26
4-H year

What is a Judging Contest?

A judging class consists of four items. The 4-H'er is asked to evaluate and rank the class in order from best to worst. Points are given on how close the participant comes to matching the placing an expert gives the class. Junior, Intermediate and Senior 4-H participants will also be given the opportunity to give oral reasons. Oral reasons enable the participant to explain to a judge why they placed the class the way they did. Points are given for how convincing the reasons are. Even if the class wasn't placed correctly, if good reasons are given, the points will reflect that.

Bravo!

It's Time to Give a 4-H Presentation!

County Presentation Day– Saturday, March 7, 2026

Get a head start on preparing a *presentation* for Fresno County's Presentation Day by beginning now! 4-H encourages every member to develop and polish their public speaking skills by participating in County Presentation Day. There are many ways to participate in Presentation Day. Participants may give a traditional demonstration or illustrated talk where they show "how-to-do" something using visual aids or posters or a prepared speech or an interpretive reading or an impromptu speech etc. The ways to participate are explained in the CA 4-H Presentation Day Manual. Take time to read about the various ways to participate in Presentation Day, and then research your topic. Find an interpretive reading you enjoy or a favorite recipe you can use to develop into a presentation. Prepare your script, make your posters, or gather your props, if your category requires such items. Spend time practicing your presentation. The old adage that "practice makes perfect" is especially true for presentations. Project meetings are a great place to start presenting! Information on Presentations can be found by clicking:

<https://ucanr.edu/site/fresno-county-4-h/4-h-presentation-days>

Fresno County 4-H Livestock Achievement Program

Save the Date of Saturday, April 18, 2026 - Livestock Achievement Day

Our Livestock Achievement Committee is hard at work planning a full day of activities for Livestock Achievement Day, scheduled for Saturday, April 18, 2026. Members will have an opportunity to "show what they know" about their species of livestock, take part in a fitting clinic, and do in-person YQCA training. The day is still in the planning phase but be sure to mark the date on your calendar **and start preparing for Livestock Achievement Day 2026!** Identify the body parts of your animal, different feedstuffs, common breeds, and types of equipment used for your livestock. Talk the talk by learning the correct terminology, knowing how to evaluate livestock, and knowing basic veterinary care. Further your knowledge by learning wholesale and retail cuts for market animal projects and milk handling for dairy goat projects. **Be sure to check out the many resources** that are available to help educate leaders and members about their species of livestock. An explanation of the Livestock Achievement Program, as well as a link to the many resources available, can be found on the Fresno County 4-H Livestock Achievement Program webpage:
