Clover Fest Dinner and Dance Fundraiser

Each club is asked to prepare 2-3 desserts, each enough to serve eight people (1 table of guests). A total of 35 – 40 desserts are needed!

1. **Please provide a dessert that *does not require refrigeration*.** Desserts with whipped cream and puddings should be avoided.
2. Please prepare a dessert which *does not* have soft frosting that will melt.
3. Examples of desserts include:
 - a. Bundt cakes with powdered sugar or a drip icing/glaze
 - b. Cake with non-melting filling
 - c. Pies (no refrigeration available, so no cream pies, please)
 - d. Brownies, peanut butter bars, lemon bars, Rice Krispie bars, Nut bars, cookies (larger size), other bars that do not melt

Homemade desserts are most appreciated!

4. Each dessert should be plated and wrapped with cellophane and secured with a nice ribbon and other enhancements. Nicely plated items tend to bring a higher bid! Please indicate the baker's name, value of dessert, and a description of the dessert including whether it contains nuts or peanut butter.
5. International, ethnic desserts would be wonderful: Japanese, Mexican, Indian, American Indian, Armenian, Irish, Jewish, African American, Philippine, etc.
6. Desserts should be delivered to the 4-H office the Friday before the event or to the event venue that morning. Contact Rosie or Shari for more information
