III. POLICY TEXT

A. Firearms In the UC ANR Environment

1. This section of the University of California (UC), Agriculture and Natural Resources (ANR) Policy and Procedure Manual addresses firearms in the ANR environment.
 2. It applies to all firearms within UC ANR except those associated with the California 4-H Shooting Sports Program. See the California 4-H Shooting Sports Program webpage for more information regarding that Program.
 3. Virtually all other firearms in the UC ANR environment are associated with a Research and Extension Center (REC). Accordingly, relevant policies and procedures were designed for implementation at the RECs. Contact the Risk & Safety Services Director (contact information on page 1 above) for assistance with matters pertaining to firearms in any other context within UC ANR.
 4. UC ANR's detailed policies and procedures regarding firearms may be accessed at the links shown in Item VI, *Related Information*, below.
