

Tehama County Master Gardeners

# UC Master Gardener Program: Information Meeting

## Purpose

This meeting has been organized to provide information for individuals interested in volunteering as Master Gardeners (MG) through the University of California Cooperative Extension (UCCE) in Tehama County. The purpose of the MG program is to provide research-based information to support gardening and horticulture in the county. If you are someone who loves cultivating plants, growing your own food, and serving your community you may be a good fit as a University of California Master Gardener volunteer.

## Agenda

Master Gardener volunteers and leadership will share concerning the goals of the Master Gardener program and current projects underway in Tehama County. Practical information on the process of volunteering will be provided along with time for questions.

UCCE Tehama County is accepting applications for Master Gardener volunteer positions. Pick up an application at 1754 Walnut street, Red Bluff, CA or visit <https://cetehama.ucanr.edu/> for a digital copy. Applications should be submitted before July 24<sup>th</sup>, 2026.

This year's training class is at Shasta Community College. It begins in the fall semester, starting August 17<sup>th</sup>, 2026.
