

UC MASTER GARDENER PROGRAM
YOLO AND SOLANO COUNTY

THE NEW ARBORETUM ALLSTARS AND CLIMATE READY PLANTS

July 9, 2026 3-4pm

For 30 years, the UC Davis Arboretum and Public Garden has provided guidance to the region's gardeners through the All-stars plant list, a selection of durable plants known to perform well in our climate. With the impact of climate change apparent in our region, staff took the opportunity to review and revise the list and to provide additional recommendations through the Arboretum's new Climate Ready Gardening Program.
