

GROWERS DEMONSTRATION DAY

AGRIVOLTAICS

A field walk through an active agrivoltaics field trial — a hands-on look at how growers can pair renewable energy generation with continued farm production.

DATE

Tuesday, July 21

TIME

7:30 – 10:30 AM

Check-in begins 7:15 AM

LOCATION

Davis, CA

2618 Hutchison Dr, Davis, CA 95616

WHAT YOU'LL SEE

- **Panel configurations:** vertical bifacial, sun-tracking systems, fixed tilt, and wavelength-specific panels.
- **Crop development:** how growth responds under varying shading conditions.

WHAT YOU'LL GET

- Open discussion — challenges and opportunities of implementing these systems on your farm.
- Research questions and practical considerations for adoption.
- Economic constraints and trade-offs growers should weigh before investing.
