FALL PLANTED FLOWER BULBS

Sept. 10, 2026 3-4pm

Presenter: Pamela McCabe

Fall means time to dream about Spring blooms. Most flower bulbs are in one of two categories -fall planted-spring blooming or spring planted-summer blooming. In this presentation, Pam will cover fall planted bulbs that perform well in Yolo County. She will provide guidance in how to decide which bulbs are best for landscaping and/or cut flowers and the differences in planting for each purpose.
