

2026-2027 NAPA COUNTY 4-H COMMUNITY CLUBS

If you encounter an accessibility barrier or need content in an alternative or remediated accessible format, please contact the County 4-H Office.

What is a 4-H Community Club?

An organized group of youth members, supervised by a team of appointed 4-H adult volunteers, with a planned program that is carried out through all or most of the year. 4-H clubs usually meet regularly in the evenings or on weekends and offer multiple self-chosen project learning experiences and activities.

What is the time commitment?

Clubs generally start in September or October and go until May or June. Club meetings generally occur monthly and last approximately 1 hour. Projects require a minimum of 6 hours of instruction time.

How much does it cost to join 4-H?

Enrollment Fee: Each child pays an annual state program fee of \$62. However, UC 4-H is open to all youth, regardless of their ability to pay, and a fee waiver/reduction can be requested.

Project Fee: Each child may be asked to acquire specific materials needed to carry out a project activity, or additional fees may be requested for some projects.

What is a Club Meeting?

Often led by elected youth officers, club meetings are a place for members to get to know one another, share experiences and ideas, make plans and conduct club business, learn, and have fun.

What is a Project Meeting?

Members choose to learn within “projects”, led by adult volunteers. Project meetings are held separately from club meetings and teach hands-on skills in specific topic areas. Members are able to participate in project meetings offered by other clubs, if the project is not offered by their primary club and prior approval has been obtained from the project leader.

Can youth sign up for any project?

For safety reasons, certain projects are not approved for 4-H Primary Member (ages 5-8) participation. These include large livestock projects, shooting sports, and additional categories outlined in the [California 4-H Project List](#).

For Further Information
