Register now for a California Forest Stewardship Workshop

Online beginning September 16 – November 18, 2026, and
in-person Sunday, October 4, Shasta County

*Participation in the in-person field day is not required. All are welcome no matter where
your forestland is located.

Join the workshop to understand and protect your forests by developing a Forest Management Plan. Topics include:

- Forest management objectives and planning
- Forest health, insects and disease
- Forest and fire ecology, wildlife, watersheds
- Fuels reduction and forest resource marketing
- Mapping, inventory and silviculture
- Project development & permitting
- Getting professional help and cost-share opportunities

Participants will utilize online resources on their own time to complete learning modules and short activities. Zoom meetings with all participants and presenters will take place once a week on Wednesdays, 6-7:30pm. The in-person field day will cover silviculture, forest inventory and mapping activities. Participants who complete the workshop will be **eligible for a free site visit** with a California Registered Professional Forester or other natural resource professional.

Registration for the workshop is \$75. Sign up now at:
