Virtual Fence Workshop

From the Agency and Rancher Perspective

8:30 am - 12:00 pm, Friday, November 6, 2026

You'll hear from 2 ranchers who use virtual fence plus staff from Sonoma Land Trust and UC Cooperative Extension

Register Here!

UC CE | UC Cooperative Extension
University of California
Agriculture & Natural Resources

Please contact Devii Rao at deviirao@ucanr.edu or 707-583-9706 with any questions.

This free workshop in Petaluma and will cover how virtual fence meets the needs of landowners and livestock producers, and how to apply for NRCS funding.
