

Where does our food come from?

What I think I already K now	What I still W ant to Know	What I L earned at Elkus Ranch
<p>markets restaurants cafes farms the ground, earth trees, bushes, vines, seeds grocery stores a pig - animals chicken cows turkeys</p>	<p>Where does cocoa powder come from? Do you have to mow the lawn? Where do strawberries come from? How do they get to us? Where does corn come from? Where do grapes come from?</p>
