

## Understand and protect your Forest by creating a Forest Management Plan

Whether you own a few acres of forest or hundreds, there is a lot to know to manage your forest to reduce the risk from drought, wildfire, and insects. Attend a Forest Stewardship Workshop this fall. Cost is \$50 per participant.

### WHY should I attend a Forest Stewardship Workshop?

- LEARN** about forests and their management
- COLLECT** information about your forest
- DEVELOP** a forest management plan
- APPLY** for state and federal cost share assistance
- CONNECT** with other landowners and forestry practitioners

### WHAT will I learn about?

- Forest management objectives and planning
- Forest restoration
- Fuels reduction
- Project development & Permitting
- Cost-share opportunities

### HOW will I learn these concepts?

- ATTEND** a three-day workshop
- INVENTORY** your forest
- WRITE** your own management plan
- REVIEW** your plan with a Registered Professional Forester

**Hosted by:** The workshops will be organized by the University of California Cooperative Extension in collaboration with: CAL FIRE, Forest Landowners of California, USFS Region 5, the American Forest Foundation, California Association of Resource Conservation Districts, and the California Fire Safe Council.

**For more information:** Check out the workshop webpage at <http://ucanr.edu/forestryworkshops/> or call Kevin Conway at (530) 339-0286 to subscribe to the workshop mailing list.

*Forest Stewardship Education Initiative is a CAL FIRE funded contract (8CA04547), awarded July 1, 2019 through June 30, 2021, to the University of California Cooperative Extension to help landowners develop forest management plans.*
