New Dates!

Announcing a series of three-day California Forest Stewardship Workshops

March 7th – 8th, 14th: Shasta College, Redding
April 25th – 26th, May 9th: Government Center, Mariposa
June 27th – 28th, July 11th: Blodgett Forest, Georgetown

Join our workshop to understand and protect your forests with a Forest Management Plan. Topics will cover:

- Forest management objectives and planning
- Forest health, insects and disease
- Forest and fire ecology, wildlife, watersheds
- Fuels reduction and forest resource marketing
- Mapping, inventory and silviculture
- Project development & permitting
- Getting professional help and cost-share opportunities

Days one and two will consist of classroom and forest-based instruction on ecological concepts and measurement skills. After a week's break to collect information, participants will return on day three to write up a personalized management plan. Participants who develop a plan will be **eligible for a free site visit** with a California Registered Professional Forester.

Registration for the workshop is \$60. Sign up now at:
