Register now for a California Forest Stewardship Workshop

Online beginning August 24, 2022 – October 19, 2022 and in-person Saturday, September 17th Amador or Calaveras County (exact location TBD)

Join the workshop to understand and protect your forests by developing a Forest Management Plan. Topics include:

- Forest management objectives and planning
- Forest health, insects and disease
- Forest and fire ecology, wildlife, watersheds
- Fuels reduction and forest resource marketing
- Mapping, inventory and silviculture
- Project development & permitting
- Getting professional help and cost-share opportunities

Participants will utilize online resources on their own time to complete learning modules and short activities. Zoom meetings with all participants and presenters will take place once a week on Wednesdays, 6-7:30pm. The in-person field day will cover silviculture, forest inventory and mapping activities. Participants who complete the workshop will be **eligible for a free site visit** with a California Registered Professional Forester.

Registration for the workshop is \$60. Sign up now at:
