### Don't Miss the Fresno UCCE Master Gardener Fall Harvest Event

Fresno—September 1, 2011 Join the UC Cooperative Extension Fresno County Master Gardeners for *A Taste of The Harvest* celebration September 24, 2011 from 10:00 AM to 1:30 PM at the Garden of the Sun, located at 1750 N. Winery in Fresno.

Activities planned include sampling seasonal bounty of our local harvest specially prepared by your Master Gardener hosts, who will teach you how to prepare these nutritious foods for your family. Sample a variety of sweet and hot salsas prepared by Master Gardeners and pick your favorites in this *heated* competition. Seasonal fresh fruits and vegetables will be available to purchase.

Stroll through the Garden of the Sun in early fall and learn about sustainable gardening practices, soil improvement, irrigation, composting, native plants and much more. Master Gardeners will be on site to answer your gardening questions.

Just in time for fall planting, shop for unusual plants provided by two local growers and the vendor area for decorative garden art. Help us reduce, reuse and recycle when you shop in the *Restore Garden Shop* featuring gently-used garden-related items.

Admission price \$5 for adults and \$2 for children 6-12. Children under 6 are free.
