Find a commercial pattern or patterns, or draw your own pattern to create a wearable garment. If you use one or more commercial patterns, submit the pattern number. MODESTY GUIDELINES

Outfits are subject to review for modesty and appropriate attire. Formal wear may be strapless or have spaghetti straps. Backless dresses, excessive visible cleavage, visible undergarments, lingerie or swim suits are not permitted. All shorts, skirts, dresses, etc. must be at least fingertip length. All outfits must be suitable for comfortable walking, sitting, and going up and down stairs. Please reference the 4-H Dress Code online at: <http://4h.ucanr.edu/files/210170.pdf>.

PRE-WORN GARMENTS

Garments may be worn prior to evaluating but should be laundered or dry cleaned to not show soil.

WHAT IS A COMMENTARY?

The commentary you write about the project that you created will be read when you model/present your item during the Fashion Show. Please provide the information about both the model and the outfit. Commentary will be read and may be edited by the committee.

SAMPLE COMMENTARY

"It's the 4th of July for Mary Smith every time she wears this patriotic suit and she has a right to celebrate! The jaunty jacket sports shiny star buttons on the bright red wool. What a great idea! The scraps from that jacket turn into patch pockets on the military blue dress. Mary has had 6 years of 4-H sewing and foods projects, but always finds a new challenge. She made this suit during a thunderstorm, finishing just before the electricity went off. Can you imagine how great this outfit will be at Davis, where Mary will be a freshman this fall?"

IDEAS ON DEVELOPING COMMENTARY

- Give information about the member and his/her interests, such as where he or she is from, other 4-H projects, years in 4-H, future plans, summer job, etc.
- Give inspiration for, reason, or occasion for which outfit was planned. This could be the theme for the commentary.
- Keep sentences short and easy to read.
- Use questions and exclamations to give more variety to tone of voice.

The University of California working in cooperation with Glenn County and the United States Department of Agriculture.

- Create an appealing mental picture with descriptive words.
- Avoid the obvious or make it more interesting. (Rather than "it buttons up the front", say, "The buttons brighten the front", etc.).
- Tell the biggest challenge you encountered in sewing the outfit or what new sewing technique you learned.
- Add some humor, something amusing that happened while sewing. Example: In her rush to finish the dress, Katie put the zipper in upside down.
- If there are two parts to your outfit, such as a coat and a dress, mention the outer layer first and then the under garment)
- Read description of clothes in fashion magazines to get more ideas that are fun.
- As you complete your commentary, read it aloud. Does it flow smoothly? Is it easy to read and say?
- Please proof read before submitting.

EVALUATING INFORMATION

- Participants are divided by category and age group for evaluating.
- Fashion Revue & Quilt Show evaluating is based on overall appearance and expression of personal style while the participants wear their outfits. Quilts are evaluated on a display rack with youth present.
- Each participant briefly tells the evaluators about the outfit being worn and what was learned: no longer than 30 seconds (no note cards).
- Participants should be prepared to answer questions from the evaluators.
- The evaluators will review the entry information, documents and photographs.
- Evaluating is closed to the public.
- The commentary is not read during the evaluation. It is read during the Fashion Revue & Quilt Show.

QUILTING AND CLOTHING MODELING PRACTICE

Attending the modeling practice is required for first time participants of Fashion Revue. **If you cannot make it to the practice, please call the UCCE Office at 865-1107. Clothing members do not need to bring the items made, but they do need to bring their shoes to practice walking up stairs and on stage.** Quilting members can drop off their quilts the night of practice or take them to the UCCE Office during the week of the event: Monday (between 8:00 a.m. – 6:00 p.m. and closed from noon to 1:00 p.m. for lunch) or Tuesday – Thursday (between 8:00 a.m. - 5:00 p.m. and closed from noon to 1:00 p.m.).

FASHION SHOW

The Fashion Show provides participants the opportunity to showcase their final product in front of family, friends, and the 4-H community. Each member models on stage while the commentary is read. The Fashion Show is an integral component of this event. All participants must model in the Fashion Show or awards will be forfeited. Participants with quilts will stand next to their quilt as the commentary is read. The Fashion Show is open to the public and is followed by the presentation of awards.

AWARDS GIVEN

Every participant will receive an award. Primary members will receive a participation certificate. All other participants will receive a medal.

GOLD MEDAL: A gold is given to those entries or members who, most nearly, meet the standards established for the particular class or level of performance. Excellent indicates a high degree of achievement toward the elements in the standards for the exhibit.

BLUE MEDAL: The second or blue grouping indicates those exhibits or individuals who rank very good in relation to the particular standards or expected achievement of the class or contest. Either the general level of the accomplishment is less than excellent or enough specific shortcomings are found to cause the placing to drop from excellent to very good.

RED CERTIFICATE: The red grouping contains those exhibits or individuals who, upon evaluation, rate average, acceptable, or satisfactory for the standards established. These exhibits have room for improvement.
