2020 Healthy Soils Program Seeks Farmers to Apply

UNIVERSITY OF CALIFORNIA
Agriculture and Natural Resources

Learn how to apply for \$100k in grant funding to implement agricultural practices that improve soil health, reduce greenhouse gas emissions and store carbon through CDFA's Healthy Soils Program (HSP). The 2020 HSP improvements include an easier application process, funding for new practices on previously funded APN, and extended Technical Assistance through the grant term.

FREE workshops for hands-on grant application assistance in

Tuesday, March 3rd 9 a.m. - 11a.m.	Colusa Industrial Properties 100 Sunrise Blvd Colusa, CA 95932
