## Welcome Christine!

I'd like to introduce Christine Kampmann who is starting at Glenn County UCCE as the new 4-H Community Education Specialist (aka Program Representative).

She will collaborate with the 4-H Council, volunteers and UCCE Office on all aspects of developing the program and assuring the success of our youth as they become the leaders of our community.

Christine has worked in youth development and education for many years. Christine is currently pursuing a degree in education. She is enthusiastic and excited about Glenn County 4-H and is looking forward to her role here at UC Cooperative Extension in Glenn County.

Please join me in welcoming Christine! She will work closely with Sara van Tol (Interim 4-H Program Representative), who will serve as her mentor during this transition. Christine will be phasing into her role over the next several weeks, focusing on onboarding and training. We appreciate your patience during this transition period and look forward to a great future for Glenn County 4-H with Christine at the helm!
