

UC Cooperative Extension-Glenn County

January 15, 2021

Dear Volunteer:

Each year, we at Glenn County 4-H hold our annual Presentation Night. This year presentation night will be virtual via Zoom. At this event, each youth member will give a presentation that is approximately five to seven minutes long. This is a great tool for our members to become accomplished public speakers. There are three Evaluators in every virtual breakout room of five to six participants.

We need Evaluators for this great educational event. Would any members of your organization be interested in helping us out by being an Evaluator?

Presentation Night will be held on **Friday, January 29, 2021** at 6:30 p.m. via Zoom. This year we will have one session time for the youth to present. We would need the Evaluators to attend one of the two virtual opportunities to participate in a brief orientation.

A Presentation is a requirement for all Glenn County 4-H members in our program that plan to participate at the Glenn County Fair in May. There may be over 150 youth from throughout the county participating.

If you are interested in serving as an Evaluator, please use the following link: <http://ucanr.edu/survey/survey.cfm?surveynumber=32697>, visit our website at: http://ceglenn.ucanr.edu/Glenn_County_4-H_Program_286/County_Events/Presentation_Day/ or call the Glenn County UC Cooperative Extension Office at 865-1107. Thank you in advance for considering this request.

Sincerely,
