Dear Friends:

We are pleased to report that **because of you, and others like you, we are able to further our mission** of bettering the lives of community members across all of Glenn County. At UC Cooperative Extension in Glenn County, we focus on providing and identifying the best **science-based solutions to our most pressing local issues**. But we cannot do this alone.

With your donation, **you can help us increase our reach, enhance our programming and better serve our community when public funding falls short**. Your donations have funded 4-H activities, ground-breaking agricultural research projects, distribution of educational materials and more.

Your support of Glenn County Cooperative Extension through your gifts, volunteering and advocacy provides the resources we need to continue to identify and address the challenges we all face. Your **100% tax-deductible donation** makes our community better.

We graciously accept any assistance you can offer, and we thank you in advance for your support of UC Cooperative Extension Glenn County. A return envelope is enclosed, or you can donate online by visiting <https://donate.ucanr.edu/?county=Glenn>.

We look forward to our continued work with you in our community.

Sincerely,

Betsy Karle  
County Director

Again this year, we are partnering with the Butte Ag Foundation Big Harvest Campaign!
