

TIPSHEET

2021-2022 GLENN COUNTY 4-H RECORD BOOK Personal Development Report (PDR) TIP SHEET

This guidance document is to help identify the appropriate categories for your Glenn County 4-H activities. You may have additional activities that are not listed here. Please remember that the current 2021-2022 California 4-H Record Book Manual and Adult Partner's Guide is the official guidance document <http://4h.ucanr.edu/files/263720.pdf>.

Record Books – Make sure to update and correct all notes and suggestions from your Key Leader and County Record Book Judging from your previous year. If a member forgets to list an entry in one year and wants to list it in the next year's book, they can. List it the same way and make a note that this was done in XX year.

WHAT GOES WHERE? Where do I place everything I have accomplished this year in my Personal Development Report?

Here is a helpful tool for recording 4-H events and activities, but first, make sure to read these important guidelines:

- Record participation and activities both inside and outside of 4-H for the current program year.
- When you attend a 4-H event, record it as a 4-H event attended.
- If you did something at that event that meets the requirements in another area(s), you can record that as well, BUT that activity can only be counted in one category – it's your choice. **The statement explaining "double-dipping" or "double counting" has changed to a positive statement, instead of a "Don't" statement. There are cases when a member may get to count an activity AND an event from the same event.**
- Some events and activities may be applicable for multiple categories. Record activities in the most appropriate or needed category for Star Ranks. Check out the requirements in the Star Ranking system at the beginning of the year to see where you need to focus.
- If you participate in an event activity in multiple roles, be sure to clearly differentiate the roles to ensure that the judge understands your specific contributions. We do not want the person that scores your book to think you accidentally double-counted one activity.
- You may record up to two significant activities outside of 4-H in categories 2, 4, 5, 6, and 7.

The following outline matches the Personal Development Report. If you attended an event or accomplished something listed in a category, make sure you put it in that same numbered section on your PDR form for appropriate credit.

#1. Projects Completed

Record the projects you have completed. Complete a minimum of six hours of project instruction or more as required by the project leader. Instruction can be virtual or in-person. During the current year, 80% average attendance across all projects is required to receive an achievement rank.

#2. 4-H Project Skill Activities

Record events or activities that demonstrate your knowledge to an audience or judge. Activities may be recorded even if you are not enrolled in the corresponding project – as long as the skills are related to a 4-H project. This includes exhibits non-judged and judged, showmanship, knowledge contests and judging contests.

*** You may not participate as a 4-H member in jackpot or prospector shows as these shows do not comply with 4-H Policy.**

Participation in these shows should NOT be recorded as a 4-H experience or as an "Outside 4-H" experience. Events that do not comply with 4-H Policy may not be recorded in the Record Book at all.

Project Skill Activities Outside of 4-H: Record participation at shows, competitions and contest that relate to a 4-H project skill but are NOT strictly 4-H events or do not have 4-H classes. Examples: Pacific Poultry Breeders Association Show, ARBA National Convention, AKC Dog Shows, and a Quilting Conference. You may not participate as a 4-H member or record activities in jackpot or prospector shows that do not comply with 4-H Policy. Events that do not comply with 4-H Policy may not be recorded in the Record Book at all.

#3. Events Attended (must actively participate)

Record 4-H events that you attend during the year. Count any 4-H event that you attend outside of regular club and project meetings. Multiple day events, such as County Fair and Conferences count as one event. You may receive credit for attending the event as well as completing an activity that fits in another category.

The activities that do **NOT** count here as an event attended are: Chico State Sheep/ Goat/ and Swine Day, Farm Bureau Farm Day, , and Friends of the Fair Dinner, as they are not specific 4-H events.

#4. Leadership Development

Record each project that you lead and each leadership position you hold at the club, county, sectional, state and/or national levels. The duties you perform in leadership roles are considered part of the position and cannot be counted as separate activities for any category on the PDR – *for example, if you have to give a report as a Club Officer, you cannot count your report as a Communication Skill because this reporting is part of your job as an officer.*

Intermediate and Senior members must complete the Leadership Development Report to receive credit. To meet the Star Rank criteria for gold and platinum stars, you must hold significant leadership roles that require 20 hours or more of leadership contribution. Count all of your training, meeting, planning and research hours as well as the hours spent leading toward this requirement. Junior members may earn significant leadership credits if they are a club officer and complete the Leadership Development Report.

#5. Citizenship and Community Service

Record your active participation in a planned, publicized, and approved citizenship, service learning or community service activity. Credits are counted by event attended, not separate activities at that event.

Each organization, group, activity, or sport counts as one credit per 25 hours of active participation, and can be counted per quarter, up to four times per year. These activities are **NOT counted**: family vacations, academic work during school hours and homework, care for your pets or livestock, spectator activities, and events/activities that are not consistent with 4-H policy (including Jackpots, watching a play, and observing faith-based ceremony or gathering).
