

Glenn County 4-H Leadership Opportunity Scholarship Application Information 2023-2024

Scholarships are available to families who may not otherwise be able to finance the fee to attend the 4-H leadership opportunity, training, conference, or event. Financial assistance is available to all Glenn County 4-H members on an individual, case-by-case basis for any leadership opportunity. Assistance is based on need and fund availability. All information for financial assistance will be kept confidential. Scholarships are not guaranteed and may be issued in any dollar amount. Some examples of leadership opportunities may consist of hosting a new leadership activity within our county, camping conferences, state leadership conferences, special programs that California 4-H offers as train the trainer, and other opportunities that may arise at county, regional, state, and national levels.

The Glenn County 4-H Youth Development Community Education Specialist and the Glenn County 4-H Advisory Team will process all completed forms and notify the parent/guardian of the amount awarded to each applicant. The financial assistance will be awarded based on the following criteria:

1. Applicants must be currently enrolled members of 4-H.
2. Preference may be given to children who have not received Leadership Scholarships in prior years.

No cash or monies will be awarded directly to leadership opportunity scholarship recipients. Glenn County 4-H will issue a check with a list of recipients directly to the event registrar.

Applications should be received at least two weeks prior to the registration deadline of the conference, event, or training.
