

****10-24-08.** Trap catches are beginning to increase. We are catching flies at 4 of 10 sites. Growers are reporting higher catches. The Glenn County Pest Management District has just completed spraying of roadside trees for the 5th time this season. If you are catching flies now or have/had infested fruit, spraying now may reduce overwintering populations and allow you to start with lower fly populations next season.

**UCCE Glenn County - Olive Fruit Fly Populations
for Glenn and Tehama County**
