**PREFACE**

1. The purposes of these rules are to:
  - a. Ensure educational and equitable competition;
  - b. Provide state-wide competition consistency; and
  - c. Maximize exhibitor and public safety.
2. These rules apply to all competitive exhibits conducted by District Agricultural Associations, citrus fruit fairs and county fairs in the State of California.
3. These rules cannot be waived or amended by anyone, including the fair board, management, or judge.
4. The Fairs & Expositions Branch (F&E) is the final and absolute interpreter of these rules. Only a fair may request, in writing a variance on their own behalf or on behalf of an exhibitor to a specific rule. This request must be made prior to the start of the fair or specific competition for which a variance is requested. If F&E approves a specific variance request, it may approve a conditional variance with specific conditions. Any approved variance shall expire at the conclusion of the annual fair.
5. Fair Management and/or Board of Directors may grant variances to ownership rule in the instance of deceased animals, submission of late entries and refund of entry fees. Variances may be ruled upon by F&E at the request of Fair Management and/or Board of Directors.
6. F&E will distribute any corrections and additions to these rules to fairs. It is the fair's responsibility to make them available. F&E does not represent or endorse the accuracy, correctness or reliability of any advice, opinion, statement, or other information displayed by the fair in the distribution of corrections and additions to these rules. True and correct copies of all rules and any additions or corrections are available upon request at F&E during business hours, by mail or at [www.cdfa.ca.gov/fairsandexpositions](http://www.cdfa.ca.gov/fairsandexpositions).
7. Fairs may create "Local Rules" that may be stricter than the State Rules but that may not circumvent the State Rules.
8. If a local rule is not printed in the exhibitor handbook the applicable State Rule will apply.
9. Competition at the California State Fair is not governed by State Rules for California Fairs.

## AMERICANS WITH DISABILITIES ACT

CDFA and the Network of California Fairs are committed to providing accessible and reasonable accommodations in its services, activities, and programs in accordance with the Americans with Disabilities Act (ADA).   - c. Certify that all information on the entry form is true and accurate; and

  - e. In the event that it is determined there has been unethical treatment of animals or violation of state or federal regulations or of state or local fair drug policy rules, exhibitor names will be forwarded to F&E as well as given to the Network of California Fairs and to appropriate government agencies.
2. Exhibitors are responsible for obtaining entry form(s) & rules from fair and submit the form(s) and any required fees by the closing date as specified by Fair Management.

4. Entry deadlines can be extended by the fair's Board of Directors only if the extension is made prior to the original closing date. *See also Horse Show Department.*
5. Substitutions can only be made within a division. Substitutions must be made when the exhibit arrives at the fairgrounds, or for animal, when registration certificates are checked. 6. Requests for refunds must be made in writing to the fair and may be granted upon approval of the Fair Management.

1. A complete exhibit eligible in more than one division and/or class will be entered and judged only in the division and/or class for which it best qualifies. Any exhibit not properly entered may be transferred to its proper class by Fair Management, whose decision may be changed only by the judge.
2. The Fair Management has the right to limit entries to facilities available and/or cancel any division or class in which there are not enough entries. Any return of entries or fees under this rule will be done on a nondiscriminatory basis. The decision of Fair Management under this rule is only appealable to the Chief Executive Officer (CEO), whose decision is final.
3. Fair Management may combine classes of 4 or less entries for meaningful competition.
4. Exhibitors may not submit the same entries to two or more fairs that require them to be on exhibit at the same time unless prior written approval has been obtained from both fairs. A copy of this approval must be submitted with entry forms.

### **Participation**

1. In order to participate in a youth livestock program (excluding horse, cavies & dogs) at any California Fair, all exhibitors 9 years of age and older must obtain annual certification in the Youth for the Quality Care of Animals (YQCA) program or a comparable fair run program approved by the California Department of Food and Agriculture, Fairs and Expositions Branch. Those not certified are not eligible to participate at a Network of California Fairs.
2. The Fair Management shall deny entry or disqualify and remove any exhibit or exhibitor that is ineligible for competition under State and Local Rules or endangers the public or has violated State and Local Rules. The fair may require removal of the exhibitor and/or exhibit (including animals) from the fairgrounds.
3. Exhibitors, leaders, advisors, and parents found, after a chance to provide evidence and be heard before the Fair Management (CEO and staff) of unethical practices as set forth in the State and Local Rules or in actions inimical with the fair program shall result in the exhibit being disqualified and the forfeiture of any awards and/or privileges as may be deemed appropriate to the circumstances by the Fair Management. If the judging for the exhibit has not yet commenced the exhibitor, leaders, advisors, and parents may be denied entry in any exhibitions at the fair. The Fair Management shall report any such incidences of unethical or inimical behavior established by the fair as provided for in this rule, to F&E in writing and such reports may become the basis for any fair to refuse entries from the exhibitor, leaders, advisors, or parents for up to 5 years following the infraction.
4. Exhibits must be on exhibit as specified in the exhibitor handbook. Fair Management may allow late exhibit delivery or early removal of exhibits when it is in the best interest of the fair. Exhibits will not be removed from the fairgrounds before the release date printed in the exhibitor

handbook except as determined by Fair Management in cases of sickness, accident, death, disciplinary actions requested by a youth program supervisor, or other circumstances which are in the best interests of the fair.

5. The exhibitor agrees to defend, indemnify, and hold harmless the fair, the county, and the State of California from and against any liability, claim, loss, or expense (including reasonable attorneys' fees) arising out of any injury or damage which is caused by, arises from or is in any way connected with participation in the program or event, excepting only that caused by the sole active negligence of the Fair. The Fair Management shall not be responsible for accidents or losses that may occur to any of the exhibitors or exhibits at the fair. The exhibitor (or parent or guardian of a minor) is responsible for any injury or damage resulting from the exhibitor's participation in the program or event. This includes any injury to others or to the exhibitor or to the exhibitor's property.
6. Exhibitors, leaders, and advisors must be in good standing with the local and state organization(s) (4-H, Grange, FFA) to be eligible to exhibit at the fair.

### **Conflict of Interest Avoidance**

1. Directors, Fair Management, Chief Executive Officer (CEO), and/or their spouses are not eligible to exhibit at their own district, county, or citrus fair except in timed events. Under no circumstances shall a director, fair management, CEO and/or their spouse be eligible to collect awards.

No award will be made to exhibits eliminated under any of the above instances.

- 5. The judge may not waive State Rules.
- 6. The judge's decision is final. Fair Management may not request any changes in judges' rulings.
- 7. To encourage high standards, the judge shall award first, second, third place, etc. according to merit. If without merit, the judge shall make no award under any circumstances. The judge may award championships or other awards at his/her discretion for superior exhibits. This applies whether there are one or more exhibits in class.

#### **IV. AWARDS AND SCORING**

- 1. Fair Management is not responsible for errors on entry forms. No exhibitor shall be entitled to an award that has been disallowed as the result of his/her own error.
- 2. All divisions or classes will be judged under the American system and/or Danish system as stated in the fair's exhibitor handbook.
- 3. State "Judging Standards" are to be used where applicable. Local judging standards may be used if published in the exhibitor handbook.

- 6. No exhibitor shall receive more than two cash awards in any one class using American judging system. (See definition of exhibitor.)
  - a. When an exhibitor earns more than two awards in a class, the exhibitor will receive the two highest cash awards, and the lesser cash awards will be moved down the placings to other exhibitors; ribbons will be awarded as placed.
  - b. Any difference in payment limits under the Danish system of judging shall be printed in the exhibitor handbook.
  - c. When the fair combines classes, an exhibitor is entitled to two cash awards per each class that was combined. Judges should determine special awards as printed before combining.
- 7. Sweepstakes shall be awarded as specified in the exhibitor handbook based upon these scoring guidelines:
  - a. First award - 5 points; Second award - 3 points; Third award - 1 point.
  - b. Sweepstakes shall be awarded only when at least three separate exhibitors have achieved at least a combined point total of 30.

- c. To receive sweepstakes awards, an exhibitor must have a minimum of ten points.
  - d. Sweepstakes points will be credited only to the exhibitor whose name appears on the entry form.
  - e. There are separate sweepstakes or high point rules for horse shows, which may be determined by the fair.
8. Ties which cannot be broken by the judge will be processed as follows (*See also Horse Show Department*):
- a. 2-way tie for 1st place: Combine 1st and 2nd place money and divide equally between the two 1st-place exhibitors. The 3rd highest finisher receives 3rd place money etc.
  - b. 3-way tie for 1st place: Combine 1st, 2nd and 3rd place money and divide equally between the three exhibitors.
9. The fair will not guarantee sponsored donations.
10. Placing of ribbons does not guarantee correct judging placement. Only the official placing stated on the judging sheet(s) constitutes the final placement.

## **V. PROTEST**

1. Protests will be considered only if there has been a violation of State or Local Rules that have not been enforced. Decisions of judges, veterinarians, weighmasters, breed callers, tail dock officials and timers cannot be protested and are final.
2. All Protests must be accompanied by a deposit of \$500.00 (cash, money order or certified check made payable to the fair). NOTE: The deposit will be returned if the protest is upheld. If the protest is upheld, the violator may be held liable for any portion of the direct costs incurred by the fair in the course of the protest resolution. Failure to reimburse the fair shall be cause for disallowing future entries in any of the network of California fairs.
3. Protests can only be filed by an exhibitor being affected by a violation of State or Local Rules, their parent/guardian, or leader/advisor.
4. Given the short duration of the fair:
  - a. The protestor shall make every effort to file the protest prior to judging. All protests must be filed in writing within 24 hours of the time of the cause of the protest and before conclusion of fair.

  - c. Protests shall be adjudicated by Fair Management.

    - i. The decision upholds a Local Rule that circumvents or is not in the spirit of a State Rule(s);
    - ii. The individual can substantiate new and credible information that was not available at the time of the local decision; or

- 5. Any exhibit involved in a filed protest before or during judging is eligible to compete until the protest is resolved.
- 6. Classes that involve a protested exhibit will not become official until the protest is resolved.
  - a. In championship or special award classes that involve the protested exhibit the judge shall also select 1st and 2nd runners-up in case of disqualification.
  - b. In the case of protest, the unofficial judging results may be used to prepare the sale list and other necessary information.
- 7. At the discretion of the CEO, judging can be delayed to allow time for the fair to resolve the protest if to do so does not unreasonably delay or disrupt the operations of the remainder of the fair judging and auction events.
- 8. Prior to judging the affected class, fairs may announce that an entry has been protested.
- 9. All questions concerning competition or non-protestable disputes or differences with staff or the exhibition not provided for under the State or Local Rules shall be referred to the CEO or their designee, whose decision shall be final.
- 10. Violations of State Rules may be appealed to F&E in writing.

  - c. There was inappropriate adjudication at the local level that may have included conflict of interest, lack of due process, or a significant misinterpretation of rules.
- 12. A fair or state, national or international organization or subdivision thereof which has a significant stake in the interpretation of rules affecting the network of California fairs may make an appeal directly to F&E concerning multiple-fair issues, industry-wide issues, unavoidable conflict of interest or assistance in enforcing its own organization rules.
- 13. No protest will be accepted unless it:
  - a. Is filed or received, in writing, with a signed original and a signed duplicate copy;
  - b. Clearly states which rule has been violated;
  - c. States when the protestor first became aware of the facts and rule violation;
  - d. States the facts relied upon for the basis of the protest;

  - f. Includes the names of supporting witnesses, with accessible phone numbers; and
  - g. Describes or attaches any documents relating to the protest, which must include the written decision issued by the local arbitrating body.

14. Fairs & Expositions Branch (F&E) must receive the appeal in writing within 24 hours from receipt of notice of local decision.
15. A hearing may be conducted at the discretion of F&E. The F&E Branch Chief may consult with and/or request that members of State Rules Advisory Committee participate in any hearing.

7. Independent junior exhibitors entering market animals must provide Fair Management with a picture of their animal, appropriate proof of ownership, permanent tag, tattoo and/or hog ear notch information 120 days prior to the fair for beef and 60 days for sheep, swine, and goats.
8. All junior exhibitors must have "on ground" supervision by a responsible adult.

### **Senior Department Restrictions**

1. Junior exhibitors and junior organizations may be allowed to enter exhibits in senior department classes for which they are eligible only when:
  - a. "All Other" classes are not available; or
  - b. A class for the exhibit is not provided in the junior department; or
  - c. It allows participation in featured breed and/or sponsored association shows as defined by fair management. The junior exhibitor must also exhibit the project in the junior division.
2. Junior horse exhibitors may be allowed to enter the Senior Department horse show unless Local Rules prohibit.
3. Animals entered as individuals in the junior department cannot be entered in group classes of the senior department and vice versa.

4. When violations to rules 1-3 occur, the junior exhibitor is not eligible for 12 months following the infraction to exhibit in that animal species or division (non-livestock) as a junior at any California fair.

### **Livestock and Horse Exhibits, Ownership**

1. Animal and horse projects must be owned (and leased horses as specified in this document) solely by and under the exhibitor's care and management and under the supervision of the organization in which the project will be shown as specified below. The official ownership date is the date shown on the receipt of sale unless the animal was bred by the exhibitor. The days are counted prior to the opening day of the fair unless the event in the case of horse shows is held separately from the Fair. Ownership must be maintained through show date(s) of fair or event. *See also VIII Livestock Department.*
  - a. Market animals: Beef - 120 consecutive days; and 60 consecutive days for swine, sheep, veal, and goats.
  - b. Breeding and feeder animals: 30 consecutive days.
  - c. All small market animals (rabbits and poultry): 30 consecutive days.
  - d. All horses and llamas: leased or owned 120 consecutive days.Fairs will determine the ownership period requirement for any other animal species (e.g., potbellied pigs).
2. No animal exhibit (excluding rabbit & poultry) owned by a chapter or club, conducted as a joint project by two or more individuals, or jointly owned by two or more individuals is eligible in the junior department, unless the division or class specifically so states.
3. Under no circumstances may an exhibitor concurrently enter the same species of animal or bird (horses, beef cattle, dairy cattle, swine, sheep, dairy goats, meat goats, pygmy goats, poultry, pigeons, or rabbits) in FFA, 4-H, Grange, and Independent classes of the junior department (**Please refer to 4-H/FFA/Grange/Fairs & Expositions Youth Agreement at [www.cdfa.ca.gov/fairsandexpositions](http://www.cdfa.ca.gov/fairsandexpositions) for more information**).
4. No junior exhibitor may exhibit an animal in a market class once it has been sold as a market animal through a fair junior livestock auction. These animals may be shown following the 30 consecutive day ownership requirement as breeding animals only. All champion and reserve champion market animals will be permanently identified by the fair if sold through a fair junior livestock auction unless these animals are sold at a terminal sale with no live animal pick-up.
5. Animals shown in showmanship must be owned (or leased for horses) by the exhibitor, entered by the exhibitor and shown in an appropriate market, breeding/conformation, or performance class. If dog showmanship is the only class offered, dogs are eligible for showmanship without competing in performance or conformation classes. If the exhibitor has a market animal that does not meet the weight requirements and as a result may not show in an individual market class, the exhibitor may use this animal for showmanship if and only if this animal is the only animal the exhibitor has brought to the Fair.
6. Market animals intended to be sold through the Fair's Junior Livestock Auction must be entered into a market judging class and be market ready at the time of judging to sell. It is

recommended that an official "Intent to Sell" list be available in the Livestock Office for each exhibitor and/or parent/authorized representative to sign a declaration of their intent to sell after the market animals have been judged, especially if the Junior Livestock Auction is a terminal sale. Each fair may choose, at the local level, to provide additional opportunities for exhibitors to withdraw from participating in the Junior Livestock Auction up until the moment their market animal is sold.

If the Fair's Junior Livestock Auction is terminal, the market animals will be sold for resale or custom processing only. Once the market animal has been sold through the Junior Livestock Auction, ownership is then transferred to the buyer with the highest bid. If the Fair's Junior Livestock Auction is terminal, no live animal pick up is allowed, except by the transportation provided by the Fair to the processing facility.

**Ownership or Lease**

1. Any horse exhibited in the junior or youth division must be owned or leased by the junior exhibitor showing the horse or owned by the junior exhibitor's parent, stepparent, sibling, half-sibling, stepsibling, grandparent, step grandparent, sibling's spouse, half sibling's spouse, stepsibling's spouse, or legal guardian (as evidenced by court documents) or owned by the institution in which the junior exhibitor is enrolled as a ward. Separate legal entities, such as family corporations, trusts, or partnerships, are also authorized owners of the youth exhibitor's horse so long as all legal and equitable owners and beneficiaries of the legal entity are individuals specifically authorized by this rule. "Owned" means, in addition to other legitimate methods of acquiring ownership, the bona fide legal ownership obtained for adequate consideration in reasonable relationship with the actual market value of the horse.
2. Horse projects must be owned or leased by and under the exhibitor's care and management and under the supervision of the organization in which the project will be shown 120 consecutive days prior to the opening day of fair or event/show if held separate from fair.   - b. The horse show management must divide classes of 50 or more. Separate prize money and ribbons shall be provided for each class.
5. Horse show management shall assign a number to each horse. The exhibitor must wear the number when showing the horse.

1. Fair Management may withhold the payment of awards for exhibits which are in question under State and Local Rules and may recover awards that have been paid for exhibits in question.

Ties for first follow the jump off rules of the specific Table and Section for that jumper class. Additionally, the detection of more than one non-steroidal anti-inflammatory drug in either a blood or urine sample is a violation of California rules. Maintaining a current listing of specific prohibited substances is impossible due to the continual introduction of new pharmaceuticals, discontinuation of old ones, off labeled prescription of human products, and utilization of foreign products. Additionally, some exemptions exist.
