

## PRIMARY MEMBER POLICY

1. Primary members are those who are at least 5 years old or in Kindergarten and not yet 9 or in the 4th grade by December 31 midway through the club year (July 1 - June 30). Primary Members will remain as such throughout the whole club year regardless of when they turn 9. **Clubs are not obligated to provide a program for Primary Members.**
2. Primary Members may **only participate in 4-H activities at the club level**, except that they may exhibit entries at the 4-H Fair. They will not be judged, but will receive a participation ribbon.
3. Primary Members are not to be put in competitive situations in the 4-H program and may only receive **participation recognition only**.
4. Primary Members **do not keep record books**.
5. The **only approved animal projects** for Primary Members are dogs, rabbits, rats, cats, poultry, cavies, mice, embryology, entomology, marine science, pygmy goats, and therapeutic animal projects.
