R = registered for bearing and non-bearing

N = registered for non-bearing only

-- = not registered

1 to 4 = minimum age of tree or vine for registration

This is not an endorsement for any of the products listed, nor does the omission of specific trade names reflect the view of the author. Please refer to your local pesticide dealer or chemical representative for specific herbicide products available. This is not a recommendation for the use of herbicides. It should serve only as a guide to show the herbicides currently available for use in California. Please refer to the appropriate labels for use recommendations.
