

Allstar Selection Process

The county's review committee shall review the applications. The UCCE 4-H staff, advisor and/or a designated volunteer committee should determine the best mix of people to serve on the review committee. **At least one member of the committee must be a youth member.** The review committee may include UCCE 4-H staff, current Allstar, current Allstar's Advisors, county I&R Committee members, community members or Volunteer Management Organization (VMO) designees.

The first review of the application should establish that the applicant meets the qualifying criteria. In addition to the application packet, the selection process can include additional steps. Each county's selection process can contain any of the following components. The application and notification components are both mandatory. Selection committees should choose the components that best fit the size and style of their County Allstar program.

Notification

At a certain date designated by the county, applicants will be notified in writing of their selection status. Applicants shall be told when notification will occur. Applicants who are not accepted should be given detailed examples of what they need to do to apply next year. If they need more experience in a certain area, tell them exactly what would help improve their skills to achieve a potentially successful application.
