## Olive Curing for Fun & Health!

*Marie Antoniou & Michael Harman*

Learn to cure delicious olives in accordance with the Mediterranean tradition. MGs Marie and Michael will explore three different curing methods, utilizing both salt curing and lye curing processes. Appropriate for all skill levels.

**Saturday, September 29**                      **9:30 – 11 am**  
**Free**

## Succulent Pumpkin Centerpiece

*Roz Tampone*

Would you like to learn how to create a succulent pumpkin using sphagnum moss and succulents? MG Roz has a demonstration that will prepare you to make your own long-lasting centerpiece or succulent arrangement with confidence. It will be the most gorgeous hostess gift or centerpiece for your next fall gathering!

**Saturday, October 6**                              **9:30 – 11 am**  
**Free**

## Unlock the Secrets of Soil

*Tim Sullivan*

It's all about soil! Great gardens have great soil. Come learn about the new USDA program "Unlock the Secrets in the Soil". The goal of this program is to regenerate our nation's soils. Your garden will use less water, less pesticide, and most importantly be more productive and beautiful.

**Saturday, October 13**                              **9:30 – 11 am**  
**Free**

## Backyard Composting

*Ann Edahl*

Master Gardener Ann will show you how to quickly turn your garden clippings and kitchen scraps into valuable compost. You will learn why and how to start your own compost pile, what you can—and shouldn't—add to your pile, and the ways you can use the finished product around your yard to enrich and improve your soil.

**Saturday, October 27**                              **9:30 – 11 am**  
**Free**

## Introduction to Aesthetic Pruning

*Dawn Truelsen*

With its foundation in Japanese garden pruning, bonsai and arboriculture, aesthetic pruning incorporates visual art and design principles to the pruning of small trees and shrubs in the landscape. You will learn how aesthetic pruning can be applied to your home garden.

**Saturday, November 10**                              **9:30 - 11am**  
**Free**

## Fundamentals of Espalier

*Linda Hewitt & Jill Lankford*

In this class join MGs Linda and Jill as they show you the beautiful technique of espalier. You will learn the basic plant physiology underlying successful espalier techniques; how to set up a frame for your espalier. Also discussed will be how to select a young tree and to start it properly. They will also demonstrate how to prune for shape in successive years.

**Wednesday, November 28**                              **9:30 - 11:30 am**  
**Free**

## 23<sup>rd</sup> Annual Wreaths and Swags

*Robbie Cranch*

Come learn a variety of techniques for holiday wreaths and swag construction. We will use fresh, live, locally gathered materials. Everyone will leave with at least one completed wreath or swag. All materials are supplied; please bring a hand pruner and wire nipper. Dress in warm casual clothes. Class is limited to 15; pre-registration required. (Sorry, no walk-ins)

*Note: Prior to mailing your check please call 559-241-7515 to confirm space is available.*

**Saturday, December 1**                              **9:30 – 12:30 pm**  
**\$25 materials fee per student**
