

Fresno County Master Gardener's  
***GUIDED FIELD TRIP FOR STUDENTS***

Garden of the Sun Demonstration Garden

1750 N Winery Ave, Fresno

(Located next to Discovery Center)

**Empower children to explore, discover, and learn in a garden setting.**

Enjoy our Children's Garden where flowers, vegetables, fruit trees, herbs and other plants grow year-round. Exploring the garden provides an enriching, hands-on learning experience. Learn where food comes from, plant life cycle, wildlife and our environment.

Our tours are designed for elementary school students and can be adapted for pre-school, middle school or high school students. An educational activity and scavenger hunt are included in each tour. Bring lunches or snacks and spend time enjoying the garden at our picnic tables.

**There is no charge for the tour**

TO SCHEDULE A TOUR EMAIL [mgfresno@ucanr.edu](mailto:mgfresno@ucanr.edu)
