**SATURDAY, APRIL 20, 2024**

**RAIN OR SHINE**

**9:00 a.m. to 4:00 p.m.**

**The Clark/Kendrick Garden** – In the Wilson Island district, a sense of Fresno history is illustrated by a 100 year-old cedar. This lovely formal garden emanates the grace of a bygone era.

**The Hughes Garden** – Mature shade trees anchor this lovely English-style garden with bloom and vibrant color at its peak. A koi pond and waterfall lend tranquility to this peaceful setting.

**The Newton Garden** – This garden provides inspiration in the art of growing edible plants. The use of drip irrigation and growing bins from Australia along with the desire to share produce with others will motivate even the most-timid grower.

**The Prado Garden** – This 2-acre garden incorporates the best of two landscape styles—sustainable and water-wise in the front and a majestic park-like setting with mature shade and waterfall in the back.

**The Silva Garden** – Serenity and privacy meet in this walled garden in the heart of Old Fig. A French-inspired rose garden is one of five garden rooms within this lovely 1-acre property.

**Garden of the Sun** - The Master Gardeners' very own demonstration garden is lovingly tended by our volunteers. Come stroll the garden. The Garden of the Sun will be at its springtime finest. Admission is free all day and don't miss the plant sale!

**Tickets are \$30 in advance / \$35 day of the tour**

The Master Gardeners of Fresno County invite you to tour five private gardens and our own demonstration garden, The Garden of the Sun.

The gardens have been selected for variety, interest, and innovation. There is something for everyone! Whether you are interested in water-wise gardening, sustainability, growing edible plants, garden design, or simply seeking beauty and inspiration, there is something for you. Plan a wonderful day with family, friends, or neighbors. Don't forget your notebook and camera! Master Gardener docents will be available to answer questions.
