Volunteers who take an active part in county events help the program succeed. Please consider taking on one of these roles.

2017 California State Fair Quality Assurance & Ethics Awareness Training

As a requirement for entry, all junior livestock (market, breeding, dairy, and fur & feather) exhibitors are required to participate in a California State Fair approved Quality Assurance and Ethics Awareness Training prior to June 23, 2017. Youth for the Quality Care of Animals (YQCA) is a national multi-species quality assurance program for youth ages 8 to 21. This online annual education and certification program promotes food safety, animal well-being and character awareness. For more information about requirements and the online training, visit:

AgSperience Booth at the Nevada County Fair - Each year, Nevada County 4-H hosts a booth in the AgSperience area during the fair. The 2017 Fair theme is “Sea You at the Fair!” Each club is responsible for decorating a poster board about the 4-H experience in their club, and must provide one person to help set up and tear down the booth. Projects can also create an informational display about what they are learning and the fun they are having! This is the one time during the year when we can reach many families and potential supporters. The Kentucky Flat 4-H Club is coordinating our display this year.

FOOD SAFETY TRAINING FOR 4-H EVENTS

Food safety is a priority for all events to maintain a healthy environment and to reduce the risk of food borne illness. It is important that 4-H groups prepare and serve food in compliance with state laws and local health department rules, including securing appropriate permits. Where the risk is higher, such as events where food is served to larger numbers of people in the public, food safety training is essential.

The goal of food safety education is to minimize the risk of food borne illness at 4-H events where food is prepared or served.

Anyone preparing and/or serving food (whether homemade or prepackaged) is required to complete the UCANR food safety training. Volunteers in the Nevada County 4-H Food Booth during the Fair must complete the training. This training will provide you with important knowledge to handle, prepare, and store food safely, then test your knowledge with a Food Safety Quiz.

[Access the training and quiz here.](#)

Don't forget to submit a [Fundraiser Approval Form](#) if you will be preparing food for a fundraiser.

MEMBER NEWS

The 4-H spaghetti dinner on March 11 was a great experience. I baked and entered a yellow butterfly cake for the auction and I won a \$120 photoshoot in the door prize drawing. The spaghetti and garlic bread were delicious and the service was awesome. This is an event that we enjoy every year and I would definitely recommend it to anyone who wants to have a fun night and support their local youth in agriculture!

Helena O'Dell, age 16
Chicago Park Hornets 4-H

The 4-H spaghetti feed was super exciting. The reason why we do this kind of stuff is to raise money for trips, like the kids who are going to Washington DC. We put tickets in a bag for the door prizes and it was kind suspenseful because sometimes people got super close but they didn't get the prize. I got a certificate for one coffee from Grass Valley coffee and florist and I got one rose too. People were bidding for cakes. They were also bidding in a silent auction for other prizes that you could win. There were some pretty cool cakes too, like an ocean themed one that won like 1400 dollars. My sister won a family photo shoot in the door prize drawing.

Overall it was really fun and everyone had a good time too. It was a really fun experience, I'm sure, for everyone that was there. Thank you for being there to support our 4-H clubs of Nevada County.

Michael Meiers, age 13

Donations for Sammie's Friends

Sammie's Friends is an animal shelter in Grass Valley that takes in, shelters, and finds homes for dogs, cats and other animals. I am gathering donations for Sammie's Friends and I am asking 4-H members to help with this if possible. I have talked to the managers of both the dog and cat facilities at Sammie's Friends and they have told me what items would be most helpful.

Dogs:

- Wet dog food
- Kong toys
- Large towels

Cats:

- Friskies wet food (chicken or turkey is best)
- Temptations treats
- Puppy pads
- Cat toys

Kitten season is coming up; these are the supplies the shelter will need for kittens:

- Microwave heating pads
- Kitten bottles
- Baby wash cloths
- Kitten shampoo

I think that we, the 4-H community, can really make a difference in the lives of these animals. To save space in the 4-H office, I will pick up donations. Please contact me if you have donations for pick up and I will arrange with you a time and place to get them.

Thank you,

Katie Moen
