**Treasurer's Financial Report:** Bird Garcia gave the following Treasurer's Report. At the beginning of April, our checking account balance was \$36,329.16. In April, we had four checks cashed and we made a payment to Quickbooks. So our ending balance in April was \$35,881.79. Our Savings Account balance on April 1st Savings Account was \$33,114.47. We had interest earned of \$00.27. And a Quickbooks update - I was able to get everything into Quickbooks and added. I just need to get Brian over the report, so we can go over exactly which reports, we want to run and all that good stuff. Bev asked for a copy of this report. Rita asked if the report please be sent to the Finance Committee so they're on board for when you have to do budget for next year. Quickbooks was \$35.00. We got a 50% off discount up until June. After June 2021 it'll go to \$70.00 for the year subscription. We have a check written for the endowment. That's taken care of. We'll get it in the mail here in the next couple of days. That will go out to fund the endowment. A **motion** to accept the Treasurer's Report as submitted was made by Niki Miller, seconded by Sandy Jacobs and passed.

### **New Business Discussion**

**Fee Structure - 2021/2022 year:** Rita Jakel explained that we have the proposal that when you enroll the first youth at \$80.00 plus a \$25 family fee. Additional Youth Members are \$80 each. Adult volunteers pay nothing and we talked about the pros and cons of this. One is that the actual adult fee for next year is \$29.00. No adults are paying. All the program fees next year will be paid by credit card so there's no burden on club leaders and obviously we still have fee waivers available for families in need. Every family will pay at least \$125.00 fee, no matter how many youth they enroll. The state fees did increase for both adults and youth this year. A **motion** to accept this Fee structure was made by Heather Witcher, seconded by Niki Miller and passed. 2 people abstained. Rita will be sending this information out via e-mail.

**Community Service** - Kelly Speakman -Concluded - Rita said that they have literally donated hundreds of items to Animal Shelters, Meals on Wheels, and Neighborhood people in need. It's been a great project, in fact, a compliment to the project is that it is being used in summer camp, as one of the sessions. One of the daily sessions will be just mirroring what we did, using the same projects we did in the videos that Isabel created. They will have the daily sessions at Summer Camp. Also Big Brothers Big Sisters want to use that program or a model of it in their Big Brother Big Sister Little Brother Little Sister Program. It is pretty neat to see that recognition for them.

**Drone Project** - Brian said that the Drone project is wrapped up. Josh is going to run it again in the fall. Brian wanted to thank Wes. The **Livestock Event** went smoothly and was great. Wes should receive a lot of recognition for the event that he helped coordinate. great. So kudos to everybody who helped put that together, because it was really a well run about.
