

# CONTRACTS AND GRANTS

## Who we are...

ANR Office of Contracts and Grants (OCG) coordinates submission of proposals and acceptance of extramural contracts and grants for the Division of Agriculture and Natural Resources.

Externally funded grants and contracts come to ANR from many sources, including federal agencies, the State of California, other state and local governments, foundations, corporations, and marketing boards.

## We can help you with...

Understanding and/or interpretation of:

Proposal guidelines and forms

- ANR Grant Tracking System
- Federal Grants.Gov and Fastlane proposal submission procedures
- University policies concerning contract & grant administration
- Principal Investigator responsibilities and obligations
- Indirect cost recovery
- Cost-sharing
- Award terms and conditions
- Assistance with interdisciplinary, large proposals.
