Andrew Wood Selected as State Ambassador

Andrew Wood, an active member in 4-H for nine years, was recently chosen as a State Ambassador for California 4-H. Andrew is the President of the Gold Country 4-H Club in Auburn, as well as a Placer County 4-H All-Star. Along with his present leadership roles at the local club and county levels, Andrew has been the recipient of the 4-H Council Scholarship and the Golden Clover Award from California 4-H for his work in training guide dogs for the blind.

The California 4-H State Ambassador Program is a working honor that provides 4-H members expanded opportunities to serve the University of California 4-H Youth Development Program. The 4-H State Ambassador position is one of the highest service opportunities and levels of recognition attainable in the University of California 4-H Youth Development Program. 4-H State Ambassadors are youth who have excelled in the areas of leadership and community service. They are selected to serve the 4-H Youth Development Program in roles that promote leadership through education and service.

Andrew, when asked about how he felt about being selected as a State Ambassador, expressed that he was tremendously excited for the opportunity and has aspired to be a State Ambassador for numerous years. Additionally, when asked what he hopes to get out of being a State Ambassador, Andrew shared that he feels being a State Ambassador will be invaluable to continuing his leadership development and growth throughout his year of serving and looks forward to representing 4-H throughout California. Andrew in particular wants to promote 4-H to younger youth to entice them to become more involved in 4-H programs.

Andrew feels that 4-H has had a huge impact on his life. He expresses that his ability to conduct himself professionally and his strong public speaking skills are directly correlated to his involvement in 4-H.

The focus of 4-H from the local to state level is to have positive youth development through hands-on service learning. 4-H is built through a framework of youth and adult partnerships to develop our youth for the being future leaders of tomorrow. Placer County has not had a State Ambassador for at least ten years, and Placer County 4-H is excited to support Andrew. Andrew's term as State Ambassador will begin July 1, 2014 and continue through June 30, 2015. He will have the opportunity to travel all around the State of California promoting and educating about 4-H, and demonstrating the importance of having youth being involved in 4-H.

Positive Development through 4-H

4-H was formed as the result of dedicated, forward-looking people, working individually and in groups. These innovators were interested in youth education and realized the importance of supporting and preparing youth for their futures. The essential elements to the positive youth development that are found within 4-H are:

- **Belonging** - to know they are cared about by others.
- **Mastery** - to feel and believe they are capable and successful.
- **Independence** - to know they are able to influence people and events.
- **Generosity** - to practice helping others through their own generosity.

4-H promotes and supports caring and kind adults building relationships with youth while creating safe environments where youth have the opportunity to demonstrate their learned skills through public service. The key elements to effective and continued positive youth development are:

Consider the whole young person, not just a single characteristic or problem.

Depend on family and community development as it occurs in the context of society.

Focus on the positive outcomes we desire for young people, not the negative outcomes we hope to prevent.

The experiences and development found within 4-H does make a difference in youths' lives. So, thank you to adult volunteers for continuing to support and facilitate positive youth development.

4-H Website/Curriculum/Resources

If you have visited the Placer County 4-H website lately, it is quite evident that there has been many recent changes to the website layout. I know that in this modern time, 4-H families are incredibly busy and unable to always attain resources in person from the County Extension Office. Thus, we are revamping the website to help suit the needs of our 4-H'ers spread throughout Placer County to give access to resources and to stay connected without leaving their neighborhood. In conjunction, to the new design of the website, we added new social media accounts with twitter, Google+, and YouTube as well as our existing Facebook. Please find and like Placer County 4-H!

We also started the process of adapting older curriculum for Small and Large Animals. We need your feedback and help to continue to adapt and create curriculum and resources that can help aid project leaders that are beginning, intermediate, and advanced. If you have suggestions on topics that should have curriculum developed and/or good resources to purchase for our lending library, please contact the 4-H Office (530) 889-7386.

What is Bullying?

Bullying is about power. It can involve one or more individuals preying on someone perceived as being weaker or more vulnerable. It can be face-to-face or online. It can be physical, psychological, or emotional. It can include hitting, teasing, shunning, or spreading rumors.

- Bullying should not be viewed as a normal part of growing up. It cannot just be dismissed as "kids being kids."
- Bullying can cause lasting damage to the child being bullied and in extreme cases...bodily harm.

The 4-H Office is in the process of releasing resources for how to identify and handle bullying. Please refer to the links below for additional bullying resources, and if you have any questions contact: Jessica Trumble-Pitel at jctrumble@ucanr.edu

GC Pre-Weigh In	Beef Saturday, April 5 8-11 a.m.	Sheep, Swine* & Goats: Saturday, June 28 7-11 a.m.

* Market Hog Weights Changed as Mandated by Yosemite Meats

Minimum weight 215; Maximum weight 270. Hogs weighing over 270 will be disqualified. Due to the increased concern and to alleviate the spread of PEDV, porcine virus, the following changes will be implemented: *Market hogs will **NOT** be pre-weighed or pre-tagged for Placer County Fair. Direction and recommendations from CDFA and the State Veterinarian, will determine changes in feeder and breeding classes at both fairs and pre-weigh at Gold Country Fair. The fair will keep everyone updated.*

Fairs have been directed by California Dept of Food and Agriculture to cut water usage by 40%. The direction includes no washing of animals at the Fair. Please be prepared to assist us in making such changes by washing your animals once prior to showing, limiting your use of grooming materials that necessitate washing after the show and also using animal blankets. The exception here is swine, as we realize hogs must go to the wash rack to stay cool and healthy. Our hope is that this mandate is lifted prior to show season.

The following rules will be strictly enforced for both fairs:

Please be aware that Gold Country Fair Jr. Livestock Rule #36, stating that "market steers MUST be under control at all times" will be strictly enforced.

Jr. Livestock Rule #25, GROOMING AND CARE OF ANIMALS - Jr. exhibitors are expected to groom and care for their own animal(s) when at the Fair, or the animal(s) and exhibitor may be subject to disqualification and loss of premiums. Parents, 4-H Leaders and FFA Advisors, Jr. Grange Advisors, Sr. Herdsmen and any other adults are prohibited from grooming junior livestock. Failure to comply with this rule may cause forfeit of premiums and exhibit privileges and market animals may not sell.

Gold Country Fair Rule #24 will be changed to read – "Early morning feeding of animal(s) and cleaning of pens may be done by parents **ONLY** to enable exhibitors to attend school." This allows parents to feed and clean pens Thursday and Friday mornings only during Gold Country fair.

Gold Country Fair Showmanship class order will change to begin with Novice Showmanship and allow winning exhibitors to advance one level. Placer County Fair will remain the same, beginning with Senior Showmanship.

All Futurity Divisions at Gold Country Fair will be replaced with a Skill-a-Thon and Judging Competition. This change will allow exhibitors further education in all species.

NEW – Placer County Fair exhibitors selling animals will not be paid until their buyer has paid in full. Checks will be available following the fair, beginning mid-July, 2014. Download the Placer County Fair Exhibitor Handbook here: http://www.placercountyfair.org/documents/2013%20fair/PCF%20Exhibitor%20Handbook%202013_Final.pdf

A Word from Toby Riolo, Exhibit Superintendent

The Placer County Fair will run from June 19th through the 22nd. Now is the time to get organized with your Exhibit Hall entries. What have you made this year? Clothing items...Art work...Written materials like short stories or poems...Preserves...Birdhouses.... Great photos....Look around! You probably have some wonderful additions to our community Exhibit Hall. Do you have a great recipe for chocolate cake? Have you knitted a scarf or mittens? How about your vegetable and flower gardens? Do you have something wonderful to share with the rest of us? The Mission of our Exhibit Hall is to share Joy. Joy for the people entering their items, and joy for the people coming through the hall to see all the wonderful creations. Come be a part of the Placer County Fair and share your Joy!
