

## INSTRUCTIONS FOR COMPLETING THE FUNDING REQUEST FORM

1. Each ANR location (CE County Office, Research & Extension Center, Statewide Program office, administrative office, etc.) is eligible to receive BSAS funds, provided they meet the following criteria:
  - a. The location has an up-to-date Injury and Illness Prevention Program (IIPP), submitted to ANR Risk & Safety Services within the past three years. The IIPP update can be submitted through an online survey at <http://ucanr.edu/iippsurvey>
  - b. The location's Safety Coordinator is actively participating in the ANR safety program, either by regularly attending quarterly safety webinars, or reviewing the recorded webinars and supporting information on our webpage at: [http://safety.ucanr.edu/Safety\\_Coordinator/](http://safety.ucanr.edu/Safety_Coordinator/)
2. For full consideration, please submit your funding request by April 30, 2020. Requests received after that date will be considered based on availability of funds.
3. Each ANR location (CE County Office, Research & Extension Center, Statewide Program office, administrative office, etc.) may request up to \$1,000 for this fiscal year. Individual requests in excess of \$1,000 will be considered for additional funding if there are funds remaining after the April 30, 2020 application deadline.
4. Complete the form in its entirety. Provide all required signatures before submission. As indicated on the Funding Request form, the applicant must identify specifically how the funds will be used and how the funds can be expected to reduce the frequency or severity of workplace injuries or illnesses.
5. Return the completed form to ANR Risk & Safety Services, 2801 Second St., Davis, CA 95618, attention Brian Oatman, or fax to (530) 756-1113. Electronic submissions are encouraged and must include required signatures and be sent to: [baotman@ucanr.edu](mailto:baotman@ucanr.edu).
