

CLOVER SAFE #72

INTERNET SAFETY

Using the internet can be an educational and rewarding experience. However, there are precautions that must be taken when going on the internet to prevent identity theft, consumer fraud, bullying, or predatory behavior toward children.

For additional information about internet safety, go to the

Clover Safe note at: <http://ucanr.org/cloversafe>.

Clover Safe Notes are prepared by the UC ANR Office of Environmental Health & Safety, in support of the Statewide 4-H Youth Development Program.
