Procedures for UCANR Meetings & Events during Covid-19

UCANR wants all volunteers, personnel, and clientele to be safe and healthy. In order to hold in-person meetings and events, there are some guidelines that must be met to ensure everyone's well-being.

Together we will help to keep everyone healthy!

UC 4-H Healthy Living Team

<p>Wear a mask.</p> <p>Masks must always be worn indoors when youth are present. Masks are mandatory at adults-only indoor events for those that are not vaccinated.</p> 	<p>Wash your hands.</p> <p>Wash your hands with soap and water when you arrive (or use alcohol or hand sanitizer). Wash them again as soon as you get home.</p> 
<p>Check your temperature before you come.</p> <p>Do not come to a meeting or event if you have had a fever within the last 48 hours.</p> 	<p>Do not share items.</p> <p>Please confirm with your leader/coordinator ahead of time what items you may need to bring to the meeting or event. Do not share your things with others.</p> <p><i>If possible, put needed materials into a bag or box labeled with your name.</i></p> 
<p>Watch for other symptoms.</p> <p>Aside from fever, Covid-19 symptoms include cough, difficulty breathing, headache, body aches, nausea, loss of taste or smell and fatigue. Do not come to a meeting or event if you feel sick.</p> 	<p>Keep a record of the meetings or events you have gone to, with dates.</p> <p>If you or someone you live with gets sick within 48 hours of a meeting or event, let your leader/coordinator know immediately. Be sure your attendance has been recorded as well.</p> 
<p>Practice physical distancing.</p> <p>Maintain at least 3 feet distance from others when indoors.</p> 	

These safety standards must be followed for all in-person UC ANR statewide program and volunteer activities.

Do not participate in any in-person activities if you are sick or have COVID-19 symptoms or if you or someone you have been in contact with has been diagnosed with COVID-19.

Symptoms include:

- Fever or chills
- Cough
- Shortness of breath or difficulty breathing
- Fatigue
- Muscle or body aches
- Headache
- New loss of taste or smell
- Sore throat, Congestion or runny nose
- Nausea or vomiting
- Diarrhea

Face Mask Use

Outdoor activities with youth and adults: No face masks required.

Indoor activities with youth and adults: Face masks required for everyone due to children under the age of 12 not being eligible for the vaccine.

Indoor activities with adults only:

1. Persons who are not fully vaccinated for COVID-19 must wear a mask when working or participating in ANR activities indoors.
2. At locations in Counties which are experiencing **substantial or high transmission** of COVID-19 (based on the [CDC COVID data tracker](#)), all persons must wear a mask indoors, regardless of vaccination status.
3. At locations in Counties which are subject to a state or local Public Health Order that requires all persons to wear a mask indoors, all persons must comply with health orders while engaged in UC ANR work or other activities.

Post the signs appropriate to facemask requirements for your location(PDF- 3 pages).

Indoor Physical Distancing

Maintaining a minimum of 3 feet between participants is required for indoor youth activities.

Maintain 6 feet of distancing during times when members and volunteers are not masked due to eating or drinking.

Maintain hygiene practices

After each use, clean and disinfect workspaces and equipment, wash hands often, and/or use hand sanitizer.
