

My pledge to drive focused

Whether it's your children or grandchildren, your spouse, your parents, your dog, your cat, neighbors, or good friends, someone is counting on you to get home safely every day.

Take a moment to picture the important people or pets in your life. Please take the time to add a small photo or two to the card provided. If you have children, you might consider enlisting them to help with this activity.

Take the time to thoughtfully contemplate each portion of the pledge and check statements to which you can commit. Slip the card into an optional laminating pouch for protection and keep it where you'll see it often. Ideas to consider are storing it above your car's visor, displayed at your desk or in your locker. You may even want to scan the card and save it as "wallpaper" on your computer.
